BushwickBK.com: I don;t get that reference

me: Colonel Kurtz, Apocalypse Now
me: this is a guy who was fond of torturing in the field
BushwickBK.com: yeah never saw that
BushwickBK.com: ah
me: it's pretty good
BushwickBK.com: yeah that's what I'm saying
me: gotcha
BushwickBK.com: is he a "good" general? if so, shouldn't he stay despite embarrassing the pride of Dear Leader?
me: he's not
BushwickBK.com: I know
BushwickBK.com: but then she should have been fried long ago
me: I would say, though
me: that by saying these things
me: to reporter from fucking Rolling Stone

BushwickBK.com: I love fucking with the nutbags on Judge Napolitano's fb page
BushwickBK.com: Georgia Day Judge, are people aware that Obama and Janet Napolitano have sworn into office two devout Muslims?
They are, Executive Director of HOMELAND SECURITY Advisory Council.Kareem Shora.
Arif Alikhan..Assistant Sec. for POLICY DEVELOPMENT.
I will not sleep well knowing our Gov. has turned to treason.
BushwickBK.com: Jeremy Sapienza Georgia, you're a mouthbreather. There are 6 million Muslims in the US and if you don't like it go move to a theocracy. I hear Israel is lovely in the dead of summer.
BushwickBK.com: Georgia Day People, this is about National Security and If you are so blinde as to call this racist, then we are in true trouble. You are all blind as to what this administration iss up to and you are all drinking the Kool Aid.
BushwickBK.com: Jeremy Sapienza What is this administration up to, Georgia? Merging USA! USA! into the Grand Caliphate with Osama bin Laden as Prime Potentate? Speaking of which -- STILL HAVEN'T SEEN OBAMA'S BIRTH CERTIFICATE OMGZORX!

Obama seeks nothing less banal than power, same as the scumbag before him and the scumbag after him.
